Juliet,
I can't find a record with accession number u959626 in either EMBL or GenBank. Can you give me any other information?

Thanks,
Barb

Subject: please search

for 09/720531, please search the following

nucleotides 42703-42743 of EMBL U959626. please do one search of the sequence as written and one search with an "A" at position 42723. Please search in ALL prior art databases.

please also do a registry search of the nucleotides 42713-42733 in oligos of 100 nucleotides or less, crossed over as appropriate and print alignements as appropriated. please do one search of the sequence as written and one search with an "A" at position 42723.
